Joint Stabilization

American Concrete Institute
Greater Miami Valley Chapter

Visit our web-
site www.acigmvc.com

Loose joints can be a problem in concrete floors. A loose joint is one that shifts when one side of the joint is loaded, with the other side sliding up or down relative to the other. Loose joints cause serious trouble in industrial floors. Our speaker will address this problem and bring us up to date on the various fixes that can be employed for repair.

Our speaker, George Garber, a partner in the firm Face Consultants, is a concrete floor consultant. He is also involved with Surface Dynamics, the company that invented the "Joint Stabilizer". He is an author, penning such books as "Design and Construction of Concrete Floors, Concrete Flatwork for Homeowners and Contractors, and Paving with Pervious Concrete." He has also written several articles for many of our trade magazines.

Don't forget about our upcoming 2011 National ACI Fall Convention, right here in Cincinnati. Additional details will follow.

**Bridging the
Gap Between
Theory and Practice**
with the Greater Miami Valley Chapter

Mission Statement: Through comradeship we will provide information and promote technology, design, and construction in the concrete industry.

Our Vision: To help create the highest quality of concrete construction in a flourishing industry

Faculty: Mousa Gargari, UC OCAS (513) 556-5342 mousa.gargari@uc.edu	Indefinite

ACI GMVC Committees

Meeting Sponsorship Committee: Ryan Hoerst (Chair), Tom Dorsey **Monthly Bulletins:** John Davidson

Membership Committee: Lisa Weaver (Chair),

Meeting Coordination: Ryan Hoerst (Chair), Rusty Woods, Tom Dorsey, Tom Kolber

Scholarship Committee: John Davidson (Chair), Bud Ruffing, Dan Dorfmueller

Social Activities Committee: Andy Gebelt (Chair), Darren Poore, Rusty Woods, Mark Cooper **Chapter Library:** Mark Cooper

Website Committee: John Davidson (Chair), Jeff Raussen

ACI International 2011 Convention Committee: Dan Dorfmueller (Chair), Rick Nadicksbernd, Bud Ruffing, Lisa Weaver, Tom Dorsey

The committees are open to participation from general members. Please contact a board member or a committee member if you are interested in participating on a committee.

Corporate Members:

**Baker Concrete - Bowser Morner - CMA Supply - Contractors Materials Corp. - Ernst Concrete - Essroc
Euclid Chemical - Garber Bros. Precision Concrete - Richard Goettle - H.C. Nutting - HGC -
Hilltop Basic Resources Lehigh - Janell Inc. - McD Concrete - Messer - Moraine Materials - Prus Con-
struction - RKC Increte Systems - Steven Schaefer Assoc. Inc. - THP Ltd.**

Individual Members:

Chris Allen - Jim Barnhard - Herb Bill - John Davidson - Emily Wilkins

Upcoming Events Listed on our website Calendars www.acigmvc.com

April General Meeting	4-7-2010	Admixtures
May General Meeting	5-5-2010	Concrete Specific LEED
June General Meeting	6-14-2010	Annual Golf Outing

Because of concrete's light color, concrete reflects 33 to 50 percent more light than asphalt. **by using more heat-reflecting concrete instead of asphalt, Atlanta officials lowered their average city temperature by six degrees.
