

Concrete Futures 2007 Winter Meeting Coming to Columbus

The Concrete Futures Winter Meeting will be held Wednesday and Thursday, February 28 and March 1, 2007 at the Hyatt Regency.

The Hyatt Regency is conveniently located in downtown Columbus within the same building as the city's convention center. Without ever stepping outside, Hyatt guests can swim, work out, buy fine clothes, choose from a variety of dining establishments and more. A few short blocks in either direction on High Street are the Short North Arts District and the Ohio Statehouse.

A major draw on the second floor is the 53-foot-long, cherry-and-black-granite "Big Bar" with sports on big-screen TVs and a glass wall overlooking the downtown skyline.

Join us for what we anticipate to be one of the best Futures meetings, with a great lineup of speakers and innovative topics for 2007.

The morning session will include an entertaining performance from a hypnotist that is sure to bring some fun and laughter to the meeting as well as ensure that attendees will enjoy the rest of the meeting.

Following a hypnotic session, you will learn how you can get involved in a Truck Rodeo, presented by Doug Rigsby, Chief Safety Officer for Moraine Materials Co.. The Truck Rodeo allows employees to showcase their professional driving skills to co-workers and family in a friendly competitive atmosphere while focusing on a commitment to safety and training. The program rewards employees who have a proven safety record. Top performers receive a cash prize and trophy.

Following lunch, the afternoon session will feature a Political Update from Ohio Speaker of the House, John Husted. The afternoon session will conclude with sessions on Troubleshooting and Concrete Repair.
